- Website: [MLDcollegeplanning.com](http://MLDcollegeplanning.com)
- To admissions officers, community service could be deciding factor among students with similar specs
- Shows impact of community service and leadership skills as well as compassion, creativity, and depth
- College wants to see if you are a good fit to the school and vice versa
- College wants to see if you will be active on campus, contribute to school missions and share its values
- College essays- do not list achievements, rather tell a descriptive story and how you developed from the experience.

- Quality over quantity
- Trying to understand others is a hot topic

**Kalana Ricklef final reminders:**

- 72 hour Cancellation rule
- only sign up if you're 99% sure you can make the event
