Unfortunately, due to the Omicron surge, several of our philanthropy partners are having to cancel in-person events. This includes Crittenton Services & Fast Friends Greyhound washes. In addition, partners like Pathways of Hope are requiring that volunteers be vaccinated with booster shots. Please keep an eye on last-minute emails in case events are cancelled and always review the event notes for any comments about vaccine requirements.

At our last meeting, we talked about the 2022-2023 board elections. We are still looking for at least one adult member to serve on the nominating committee. We need to have a slate ready by February 20th, so please contact Tom Santoro if you can help (Tom should stand so that people can recognize him). Also, adult members should have received the nomination forms when they arrived tonight. You can use this form to nominate yourself or someone you know who you think would be a good fit for one of the positions. Forms can be turned in tonight, or emailed to fullertonslobs@gmail.com. As of today, we know that we have the following open positions due to people leaving the board: President, VP Philanthropy, VP Hours & Awards & Asst. VP Philanthropy.

Finally, for members that are short on hours or meeting attendance, you should begin to receive warning emails from our VP Hours and Awards. If you have questions about your hours or status, feel free to email them at hours@fullertonslobs.com

Next, I'd like to introduce Aaron Kim for the membership & hours update

Congratulations again to Noah Yi of Sunny Hills High School for continuing to be our top SLOB with 74.5 hours. A couple of more members have joined him in already achieving the Silver award with more than 50 hours, Jason Wang, Brayden Chen & Nathan Cho. We have eight members already at the Bronze level with 25 or more hours. Eight more members have met the minimum hours requirements since our last meeting, which means there are only 32 members left working on it. Our group has managed to volunteer eleven hundred and thirty nine hours so far this service year.

We've had 11 events since our last meeting, including the Spark of Love toy drive loading and unloading for Crittenton services, food bagging and toy organizing for Pathways of Hope, and the regular Saturday food bagging event for Love Anaheim. The Love Anaheim events will continue at least through the next month, so we'd like to ask the philanthropy liaison, Daniel Cho, to please stand up and quickly describe the event to members who might be interested in signing up [Daniel can stand in place to present]
