WELCOME & PLEDGE OF ALLEGIANCE

PRESIDENT/AIDEN RICKLEF

Good afternoon. For any new members here today, my name is Aiden Ricklef and my mother and I are this year's group Presidents. At this time, I would like everyone to please stand for the Pledge of Allegiance.

New Board Member Introduction

ASSISTANT VP LEADERSHIP

Kieran & Mark Klingsberg

Open Positions

- VP COMMUNICATIONS

President/Aiden Ricklef

Since our last meeting, we've added one new member to our Executive Board. We would like to welcome Kieran & Mark Klingsberg as our new Assistant VP's Leadership. We are still looking for a parent/son team to take on the position of VP Communications. Ideally, however, we can get someone who is OK with learning the position over the remainder of this service year who can be trained and brought up to speed to fully commit to the position during the 2022-23 service year. If you are interested, please talk to my mother, Kalana Ricklef, after the meeting.

New/Old Business

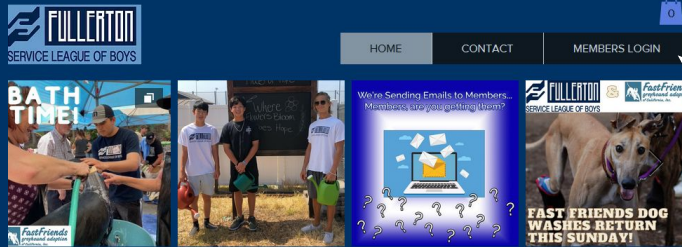

President/Aiden Ricklef

Since this is the last meeting where we are accepting new members, I would like to once again remind everyone of a couple important meeting policies. Even though we keep our dress code casual, we do enforce the standard meeting policy of no hats and no phones during the meeting. Please keep phones put away and only take them out if instructed, such as to take a picture of a slide.

All of our members should be familiar with our website and the Members-Only section where you can find important information, such as meeting dates, documents and forms and contact info for our board members. We also post a copy of the meeting slideshows in this section, in case you ever want to refer back or have missed a meeting. The password for our members-only section is WeServe2021.

I'd like to ask up our Assistant VP Philanthropy, Kai Gomez, to present our Philanthropy report.

Asst. VP Philanthropy - Kai Gomez

My name is Kai Gomez and my mother, Myra, and I are Assistant VP's Philanthropy. Since our last meeting, we've had six in-person service events:

- The Crittenton Bike assembly where volunteers put together six new bikes for the Stepping Stones youth
- Fullerton Recreational Riders Gymkhana show, where volunteers helped out with various tasks during the horse show
- Habitat for Humanity Restore shifts, where volunteers actually work in Habitat's thrift store in Anaheim
- AND, the car show, arts fair & gala all held at the Muckenthaler Cultural Center

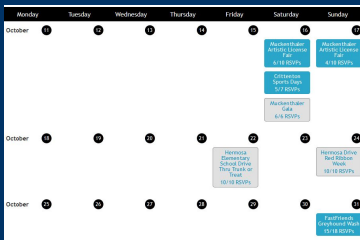

As a reminder, we like to share photos like these, so that boys get a better idea of what happens at events. When appropriate, please take photos and short videos and send them to us at our email address: fullertonslobs@gmail.com

Fast Friends Greyhound Wash - 10/31/21

Asst. VP Philanthropy / Kai Gomez

We want to thank all of the new volunteer liaisons that signed up since the last meeting. There are still positions available, so if you want to take out your phone and snap a picture of this list, you may do so at this time. In recognition of their time spent in the position, adult Volunteer Liaisons receive 2 service hours for taking on the role. If you are interested in becoming a liaison to one of these philanthropies, please speak to one of our board members after the meeting, or email philanthropy@fullertonslobs.com

Our October volunteer events filled up pretty fast, but there are still a few spots available at the Fast Friends Greyhound Wash on October 31st. We plan on adding more in the coming weeks, so please keep an eye out for emails.

Cancellation Policy

Members must provide at least 72-hours notice in order to cancel a shift and notify the SLOBs Volunteer Coordinator listed in the event details in Track it Forward. If you are uncertain who to contact, please email the VP Philanthropy. Members who are canceling within 72 hours of an event should make every effort to find a replacement.

Canceling with less than 72-hours notice and/or not showing up for an event is not acceptable. Members who give no notice before missing an event (“no-shows”) will receive a warning for their first offense. A second or more “no-show” will result in the members’ accrued service hours being deducted for the same number of hours that they signed up for at that event.

If a member has a last-minute emergency and must cancel the same day of a scheduled event, they must communicate this to the Volunteer Coordinator and/or VP Philanthropy.

Asst. VP Philanthropy / Kai Gomez

We have updated our cancellation policy to a 72 hour window. It was our experience last month that one of the events had multiple cancellations within 48 hours and it was just too late to find replacements, which really let down the philanthropy. Members who are cancelling 3 days before an event should still make every effort to find a replacement.

We understand that there can be last-minute emergencies, but we do not want regular cancellations within the 72 hour timeframe. Of course, not giving notice and/or not showing up for an event is also not acceptable. Members who give no notice before missing an event (“no-shows”) will receive a warning for their first offense. A second or more “no-show” will result in the members’ accrued service hours being deducted for the same number of hours that they signed up for at that event.

If a member has a last-minute emergency and must cancel the same day of a scheduled event, they must communicate this to the Volunteer Coordinator and/or VP Philanthropy. Thank you for your understanding.

VP Membership / Sammy Miller

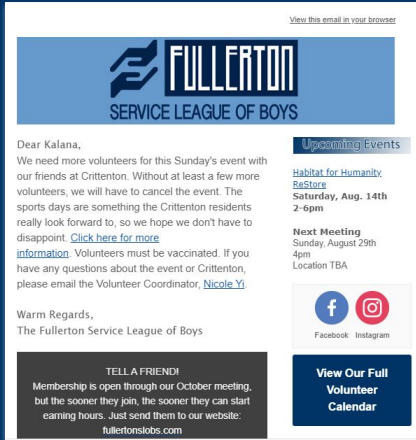

Hi, my name is Sammy Miller and my mother, Amy, and I are the VPs Membership. As of October 12th, our membership was at 57 youth participants and we hope to have added to that number today. Since our service year began on May 1st, SLOBs have logged 624 hours, which doesn't include the hours worked at this weekend's Muckenthaler events. Congratulations to Jason Wang, who continues to be our Top SLOB with 51 hours. Five members have already reached the Bronze Award milestone and 10 members have met their minimum 10 hour requirements. Don't forget, if you brought a donation to today's meeting, you may log ½ hour of service under "Pathways of Hope". Also, adult members need to remember to log their hours separately in Track it Forward and must meet the minimum 5 hours for their child to be in good standing at the end of the year.

Who Am I?

Assistant VP Leadership / Michael Chandler

At the end of each meeting, play a game of “Who Am I” to learn a little more about some of our members. To begin, I’d like all of the youth members to stand up where they are sitting. I am going to begin reading details about one of our members from the slip. If the detail does NOT apply to you, then please take a seat. Boys, please stand.

(read details for 3 boys)
